EMERGENCY AID APPEAL CROATIA 2021

IPA Section Croatia requested for aid:

Dear friends,

I would like to inform you that after the devastating earthquake in March 2020, the City of Zagreb was significantly damaged, of which we informed you at the time. On December 29th, 2020, an earthquake hit the City of Zagreb again and caused additional material damage, but this time a far more devastating earthquake hit the towns of Petrinja, Sisak, Glina and many other places in the Sisak-Moslavina county. The earthquake completely destroyed the centers of these urban areas. The earthquake caused enormous material damage, took countless more lives, including children, and injured many residents, among them two police officers. Rescue of people and humanitarian activities regarding their care is in progress. The earthquake also damaged the property of IPA members and police officers, including the house of the club president, the family of Igor and Paula Oriović, whom you met at the IPA World Congress in Dubrovnik.

Dear friends, we send our appeal for help to the IPA IEB and accompanying commissions and all national IPA Sections in the world.
