IPA INTERNATIONAL VIDEO COMPETITION 2021

Dear IPA friends,

Hello to all and have a nice autumn!

As the chairperson of SCC, I would like to inform you that due to the difficult situation with Covid-19 restrictions, our video competition's deadline has been extended until **30 September 2021**.

So, for those of you who did not have the time due to summer period, you still have the chance to take your cameras and make your IPA videos.

I remind you of the rules:

The competition is open to all IPA Sections. Please note that submissions will only be accepted from IPA sections, not from individual IPA members. I would recommend for national sections to organise an internal competition in their sections

•All entries will be judged by professional experts.

•Copyright: The right to reproduce or edit videos for International Police Association purposes is assumed

•The selectors' decision is final, and no correspondence will be entered into by the International Police Association.

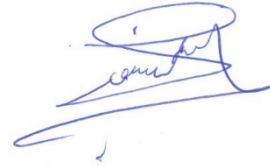

•Whilst the International Police Association will exercise care in the handling of entries, we regret that we cannot accept any responsibility for the loss of any material, however caused.

•Submission of entries implies acceptance of the stated rules

I am looking forward to your participation!
