IPA COLLECTORS FACEBOOK GROUP

Dear IPA friends,

It is well known that in our Association there are many members who collect and trade police and IPA badges, emblems, objects, etc. as a hobby. Many colleagues ask to exchange, buy or request such items from their section, which then enhance private or even public collections.

We noticed that many small groups have been created on Facebook for this purpose, but that they are scattered and not so well known, leaving members with a sometimes long and drawn-out search process.

For this reason the IPA Socio-Cultural Commission has created an official Facebook group, recognised by the IEB, which all members interested in collecting/exchanging police insignia can join. The name of the group is **IPA COLLECTORS GROUP (OFFICIAL)**. For a direct link, please follow this link: [IPA Collectors Group \(Official\)](#)

The administrator of this group is the SCC member responsible for hobbies, Zdravko Đurić, and I wish to congratulate him for his excellent work!

Please let your members know about this very interesting group and encourage them to join
- it's free, easy and safe, as this Facebook group is private and open to IPA members only.
